American Telugu Association
Conference Guidelines

The conferences of American Telugu Association (ATA) have become showcases for the organization and for Telugu community all across United States of America. Each conference is setting a higher standard for the next conference in attendance, cultural performances, food arrangements, seminar presentations, business exhibits etc. The conferences are gaining national and international recognition and therefore it has become our implicit obligation and duty to set a minimum standard for the conferences held year after year. This will encourage more and more to participate in the conference activities.

The collective leadership of several responsible individuals will provide the necessary support and guidance to the several Conference Working Committees. It is an enormous task of organizing a conference of magnitude that we have been witnessing lately and it can only become more demanding in future than ever before. An organizational structure is developed to show the responsibilities that are associated with the conference:

The following guidelines have been developed to meet the above stated mission of our organization:

1. The Adhoc Committee as formed under this Bylaw will be the main body in-charge of planning and executing the conference. The members of the Committee are:

   ATA President, ATA Past President, ATA President Elect
2. The President of the Association will be the Chairperson of the Adhoc Committee and President-Elect will be the Vice-chair. The ATA Treasurer will function as the Conference Treasurer.

3. The Board of Trustees upon recommendation of the Executive Committee will appoint Convener, Coordinator and six other members to the Adhoc Committee for the upcoming conference. One of these members will be from the local Telugu Association coordinating the event.

4. The general responsibilities of each of the above positions are as follows:

   **4.1 Chair:** The Chair of the Adhoc Committee will preside over the meetings of the Committee and will provide overall supervision and assistance to all Conference Committees. Periodically, the Chair will report to the Executive Committee and the Board of Trustees of all aspects of the Conference activities. He/She will convene a meeting of the Adhoc Committee on a quarterly basis on the last Saturday of the month ending the Quarter and will also hold a minimum of one teleconference per month. All contracts related to conference to be entered with any vendors, facilities, artists advertisers etc., will be signed by the Chair upon formal approval by the Adhoc Committee at one of its regularly scheduled meetings or teleconferences. He/She will have the power to convene a teleconference at a minimum of one day notice to the Adhoc Committee members to discuss any emergency issues.

   The Chair will be the only other authorized individual besides ATA Treasurer to sign the checks from ATA Conference account. However neither Chair nor the ATA Treasurer can write and sign a check without the approval by the Adhoc Committee for the purpose or expense. The conference committee can spend up to $25,000 at a time. Up on furnishing the receipts, additional monies will be given $25,000 at a time by the treasurer of ATA.

   **4.2 Vice Chair:** In the absence of the Chair, the Vice Chair of the Adhoc Committee will perform all duties and exercise the powers of the Chair specified above. In the absence of the Vice Chair, the Past President will perform all the duties of the Chair.

   **4.3 Conference Convener:** The Convener selected for the conference will be a member of ATA for at least three years and should be residing within 60 mile radius of the conference site. He/She must possess experience in organizing events in some leadership capacity for national or local Telugu or Indian organizations or for some religious or professional organizations. He/She will be responsible for all conference site related activities except those identified under other sections of these guidelines. He/She will be specifically responsible for all activities pertaining to the following Committees identified in further detail in the later sections of these guidelines:

   - **Venue Committee**
   - **Registration Committee**
   - **Budget Committee**
   - **Hospitality & Transportation Committee**
   - **Cultural Committee**
   - **Panel Discussion and Seminar Committee**
   - **Overseas Coordination Committee**
   - **Women’s Forum**
   - **Food Committee**
   - **Publicity and Public Relations Committee**
   - **Volunteer Committee**
   - **Youth Forum**

   The Convener works closely with the Coordinator in all aspects of the conference and will assist him in arranging conference site related issues. The Convener proposes a Co-Convener and Chairpersons of all above identified committees to Adhoc Committee for approval. He/She selects with recommendation of Chairperson to select other committee members. The Co-Convener assists the Convener and will assume the responsibilities when Convener is absent for whatever reasons.
He/She will report to the Chair of the Adhoc Committee and will participate in all meetings and teleconferences of the Adhoc Committee and will also attend Executive Committee and Board of Trustee Meetings and Teleconferences, if asked by the Chair. He/she will furnish copies of all correspondence, reports and minutes of meetings of all committee meetings to the Chair of the Adhoc Committee.

_The Board of Trustees has the power to remove and replace the Convener at any time if it finds the interests of ATA are not best served by him/her. The Board of Trustees can modify committee assignments between Conference Convener and Conference Coordinator._

4.4.
